Chapter 1: Introduction and Background

1.1 Introduction

The Official Languages Act 2003 provides for the preparation by public bodies of a language scheme detailing the services which they will provide:

- through the medium of Irish,
- through the medium of English, and
- through the medium of Irish and English

and the measures to be adopted to ensure that any service not currently provided by the body through the medium of the Irish language will be so provided within an agreed timeframe.

In accordance with section 14(3) of the Act, language schemes remain in force for a period of 3 years or until such time as a new scheme is confirmed by the Minister for Tourism, Culture, Arts, Gaeltacht, Sport and Media, whichever is the later.

1.2 Preparation and Content of the Scheme

In the preparation of this scheme, due regard has been given to the Guidelines issued by the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media. In addition, there has been a comprehensive process of consultation with relevant stakeholders.

Galway Rural Development is guided by the principle that the provision of Irish language services should be based on:

- the level of demand for specific services in the Irish language,
- the importance of a proactive approach to the provision of such services, and
- the resources, including human and financial resources, and the capacity of the body concerned to develop or access the necessary language capability.

This scheme complements the principles of Quality Customer Service. It has been formulated with the intention of ensuring that all relevant obligations under the Official Languages Act by Galway Rural Development will be fully addressed on an incremental basis, through this and future schemes.

The time and effort put in by all concerned in this process is acknowledged and appreciated.

1.3 Publicising of Draft Scheme

In accordance with section 13(1) (a) of the Act, Galway Rural Development published a notice of the intention to prepare a draft Scheme. Bilingual advertisements inviting submissions were published in the local press and on the GRD website, and a notice in Irish was placed on the Irish language online news site – Tuairisc.ie. The same information was conveyed to GRD staff via our internal bulletin board. A total of 2 submissions were received from the external consultation and these are available on the GRD’s website www.grd.ie
